Brief treadling instructions [2B]

Use the left column for one block and the right column for the other.

- | | |
|--------------------------------------|--------------------------------------|
| 1. Right pattern (heavy, twill shed) | 1. Left pattern (heavy, twill shed) |
| 2. Tabby (fine, plain weave shed) | 2. Tabby (fine, plain weave shed) |
| 3. Left pattern (heavy, twill shed) | 3. Right pattern (heavy, twill shed) |
| 4. Tabby (fine, plain weave shed) | 4. Tabby (fine, plain weave shed) |
| 5. Left pattern (heavy, twill shed) | 5. Right pattern (heavy, twill shed) |
| 6. Tabby (fine, plain weave shed) | 6. Tabby (fine, plain weave shed) |
| 7. Right pattern (heavy, twill shed) | 7. Left pattern (heavy, twill shed) |
| 8. Tabby (fine, plain weave shed) | 8. Tabby (fine, plain weave shed) |

You can also use the *other* pair of twill treadles (2332 1441, or 3223 4114), and even combine both pairings in one design if you pay attention to how one segues into the other. Experiment!

Treadling/liftplan instructions for each block

For looms with tie-ups, [use Tie-Up #1](#).

To treadle the first block (treadles 1 & 2):

1. Throw the pattern shuttle on twill treadle 2 (Shafts 2&3 down, Shafts 1&4 up)
2. Throw the tabby shuttle through whichever plain weave shed was NOT used last.
3. Throw the pattern shuttle on twill treadle 1 (Shafts 1&2 down, Shafts 3&4 up)
4. Throw the tabby shuttle through whichever plain weave shed was NOT used last.
5. Throw the pattern shuttle on twill treadle 1 (Shafts 1&2 down, Shafts 3&4 up)
6. Throw the tabby shuttle through whichever plain weave shed was NOT used last.
7. Throw the pattern shuttle on twill treadle 2 (Shafts 2&3 down, Shafts 1&4 up)
8. Throw the tabby shuttle through whichever plain weave shed was NOT used last.

To treadle the second block (treadles 3 & 4):

1. Throw the pattern shuttle on twill treadle 3 (Shafts 3&4 down, Shafts 1&2 up)
2. Throw the tabby shuttle through whichever plain weave shed was NOT used last.
3. Throw the pattern shuttle on twill treadle 4 (Shafts 4&1 down, Shafts 2&3 up)
4. Throw the tabby shuttle through whichever plain weave shed was NOT used last.
5. Throw the pattern shuttle on twill treadle 4 (Shafts 4&1 down, Shafts 2&3 up)
